Advice About Stomach Troubles and How to Relieve Them

Do not neglect indigestion which may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all the ills of the human body have their origin in a disordered stomach.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be among the most dependable remedies known for the relief of indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is very prompt. Their use with persistency and regularity for a short time tends to bring about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets help to insure healthy appetite, to aid digestion, and thus promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets, we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents, and \$1.00. Remember, you can obtain them only at our store—The Rexall Store. Willmann & Martin.

Strange Idea of "Fun."

A new kind of "fun making" was inaugurated when there appeared among the "Personals" in each of the Chicago papers an advertisement which read: "Am now in a position to meet all my creditors. Kindly communicate with me." Then followed the name and address of a man who was about to be married to an estimable young woman who, according to the rumor, was the possessor of a substantial fortune. Of course the advertisement was inserted and paid for by somebody who suspected that he or she was a humorist, and it appears to open up a new field of endeavor for persons who regard it as one of the inalienable rights of mankind to make marriage a terror to those who undergo it.

A Father's Vengeance

would have fallen on any one who attacked the son of Peter Bondy, of South Rockwood, Mich., but he was powerless before attacks of Kidney trouble. "Doctors could not help him," he wrote, "so at last we gave him Electric Bitters and he improved wonderfully from taking six bottles. Its best Kidney medicine I ever saw." Backache, Tired feeling, Nervousness, Loss of Appetite, warn of Kidney trouble that may end in dropsy, diabetes or Bright's disease. Beware: Take Electric Bitters and be safe. Every bottle guaranteed. 50c at W. H. Windrow's.

Your Money Back if you are not Satisfied with the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold in Hondo only at our store—The Rexall Store. Willmann & Martin.

We know some men who are so hard-headed that an augur bored in for four inches would bring nothing to the surface but bone shavings.

There is little danger from a cold or from an attack of the grip except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won its great reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by all dealers.

Aids Nature
The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.
If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

The Twilight of Life.
The muscles of the stomach in old age are not as strong or active as in youth and in consequence old people are very subject to constipation and indigestion. Many seldom have a bowel movement without artificial aid. Many, also have unpleasant eructations of gas from the stomach after eating. All this can be avoided by the use of Dr. Caldwell's Syrup Pepsin, which permanently regulates the bowels so that passages come naturally, and so strengthens the stomach that food is digested without discomfort. It is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all dealers at 50c and \$1 a bottle.

CHICAGO, ILLS.—Mr. J. G. Becker, of 134 Van Buren St., a well-known wholesale dry goods dealer, states as follows:
"I have had catarrh for more than thirty years. Have tried everything on earth and spent thousands of dollars for other medicines and with physicians, without getting any lasting relief, and can say to you that I have found Peruna the only remedy that has cured me permanently."
"Peruna has also cured my wife of catarrh. She always keeps it in the house for an attack of cold, which it invariably cures in a very short time."

A Morning Reminder.
You awake with a mean, nasty taste in the mouth, which reminds you that your stomach is in a bad condition. It should also remind you that there is nothing so good for a disordered stomach as Chamberlain's Stomach and Liver Tablets.
They build up the system, assist nature to restore natural conditions, and are so gentle in their action that one hardly realizes a medicine was taken. Chamberlain's Tablets are sold everywhere. Price 25c.

THE NEW THOUGHT.
When Hope recalls I clear a path
For mortals where the road is hard
I reap from failure's aftermath.
I enter where the gates are barred.
O'er seas unsailed I hold the helm;
I cleave a passage through the air;
I find the goal of every realm;
My questing foot is everywhere.

I raise the burden for the faint
And press his shoulder to the wheel;
Train him to scorn the weak complaint
And bruise distrust beneath his heel.

Who woos me finds his boon at length
Unaided, while for others' sakes
He shares the brotherhood of strength
And to his helpful self awakes.
—John Troland.

"WHAT'S the use" is the coffin nail of all progress!

QUESTION of the hour—have rubber boots gone up?

LARGE opportunity often comes in a multitude of small matters!

A BLAMELESS life is the best preparation for the leap into the future!

HOPE is the bugle call to charge and overcome our difficulties!

BEHOLD how good it is for brethren to—attend to their own business!

SUCH is fame! Poor Casey Jones had to die to win the fame he now enjoys!

HE takes desperate chances who pins his hope of a happy hereafter to aught but a clear conscience.

BETTER a crust and contentment than sumptuous fare and fine linen and discontent gnawing at the heart!

YOUR real optimist is the fellow who when every thing goes dead wrong can always see how it might have been worse!

A SLOPPY, muddy road, such as we have in this section during rainy weather, is the most eloquent argument in favor of good roads. If this rainy weather will only keep up no other argument will be needed to make every one a good roads enthusiast. The rains also remove the objection that good roads cost money for every one feels prosperous when it rains in this country.

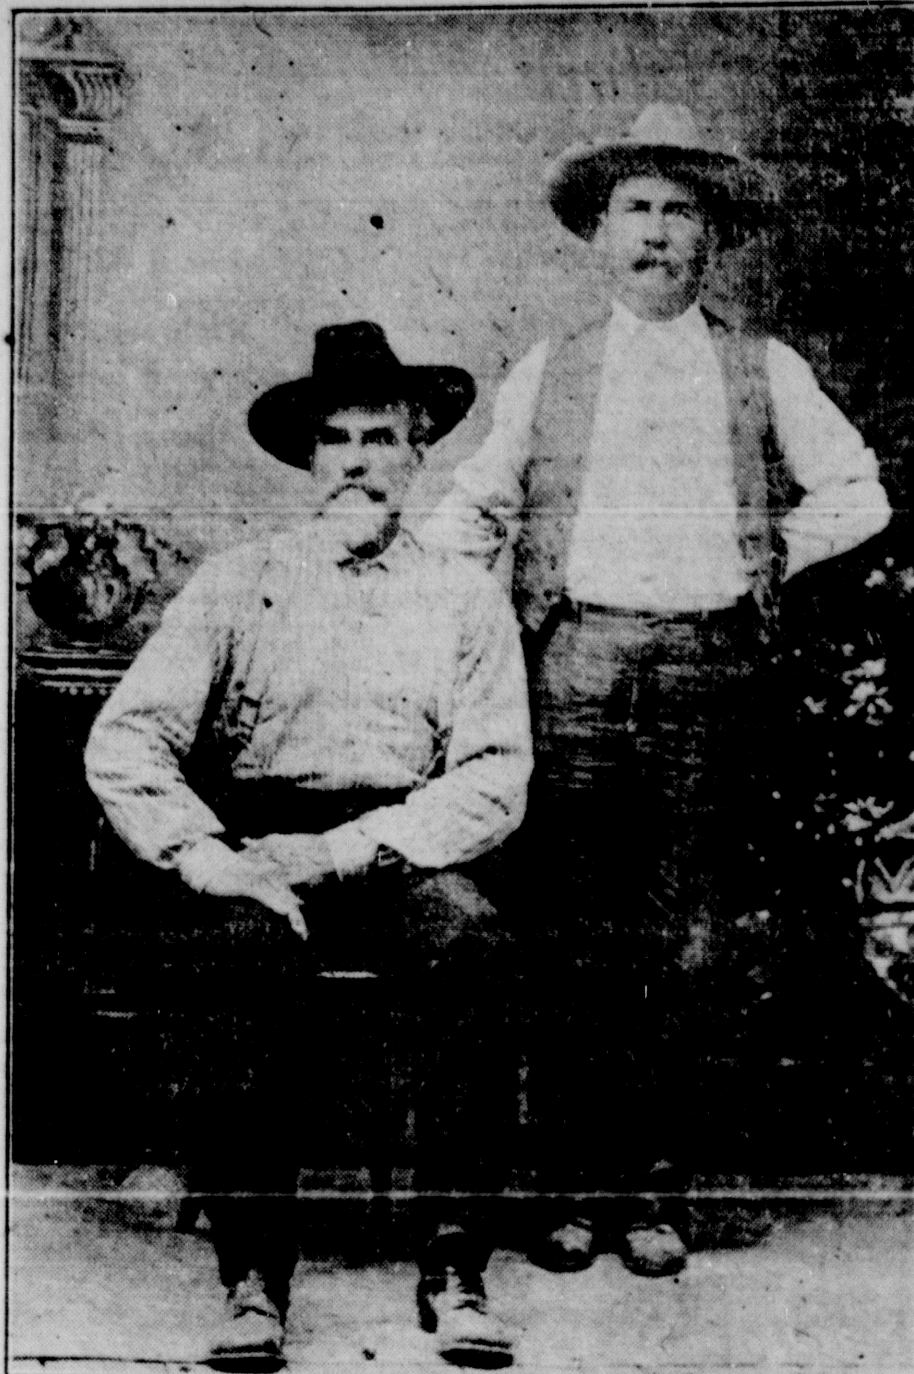

WE once read, with disgust at the benighted condition of our English ancestry, how subjects of Great Britain were imprisoned for shooting rabbits. Now we read where a man in New York is thrown in prison for shooting five song birds! Has the pendulum of human destiny started on its backward swing to the dark ages?

WOODROW Wilson is developing a wonderful strength in Texas as the prospective Presidential candidate for 1912. We think, however, that Hon. O. B. Colquitt will make Texas a good second-term Governor.

THE rains of this week have given the fall oats a good start and put the ground in fine shape for plowing. With proper conservation of the moisture a planting season for next spring is already in our black land soil.

HE is wise who acquires a home in Medina County now. If rains continue until another good crop is made land values will go out of sight—of the man of moderate means.

OH, for enough of last summer's surplus dust to build a dry pathway where we must wade this mud!

The Medina Irrigation Co. awarded the contract for constructing 28 miles of the main irrigation canal to Roach & Stansell of Memphis, Tenn., and F. Crane of Boise, Idaho, on the first at San Antonio. The contract calls for work to begin at once and to be completed by July 1, 1912. There is 1,500,000 cubic yards of earth and rocks to excavate besides the erection of two re-enforced concrete dams, three syphons and various concrete flumes and culverts. The contract price for the work is \$850,000.

An item among the real-estate transfers recently published in this paper has given rise to the erroneous impression among some that Mr. Geo. Muennink has bought out the electric light plant. This is a mistake. The transfer was made to Mr. Muennink as trustee and he transferred it to the Hondo Light, Power & Ice Co., the corporation that now owns it, and the transaction was merely a formal one to comply with the law regarding corporations and involving no real transfer of the property.

Joe Langfoll, Medina county's delegate to the State Good Road's meeting at Dallas last week, met with a number of good road advocates at the court house Tuesday afternoon and delivered an interesting and instructive verbal report of what he had learned at the state meeting about the building and maintaining of good roads. After his talk, a Medina County Good Roads Association was organized with Edw. J. Brucks, president; Albert Bendels, vice-president; and J. G. Heyen, secretary. There is a useful field of operation for such an association and we hope it will be productive of much good for the county.

Last week Alfred Nester purchased from F. E. Saathoff a bunch of 131 head of cattle. He has moved them to his feed pens about half a mile west of town. He already had 75 head on hand there and is now engaged in feeding the entire lot on meal and hulls. We hope Mr. Nester will have success in his undertaking.

Work is still going rapidly forward at the new brick plant. All the lumber is on hand and the large clay shed, the machinery building and the boiler room are being erected. Weather permitting it is expected that they will all be completed within four weeks.

GALLANT WORK OF FAMILY

Man, Wife and Son Participate in Rescue of Girl From Drowning in Ice Waters.

An extraordinary instance of a family's gallantry comes from Oxford. It appears that a domestic servant of 11feet, while cycling by the side of the river with a young man at ten o'clock the other evening, fell off her machine into the stream at a spot where the water was 12 feet deep and there was a swift current. The young man roused the 11feet lockkeeper (Mr. Mellon), who immediately jumped into the river in the darkness. His wife followed with her seventeen-year-old son carrying a lantern.

She directed operations by the lantern light and told her son to jump in to save his father, who seemed unable to effect the rescue single handed in the swiftly running stream. Young Mellon obeyed immediately, and father and son, swimming in the icy cold water, effected the girl's rescue by the light of the lantern carried by Mrs. Mellon.—Reynolds's Newspaper.

W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years of experience in the drug business.  family can suffer no greater affliction than to have a child subject to fits or epilepsy. Many a mother would give their treasure such a child to health.
 I am heartily glad to tell you of a little boy who was completely cured of his. He commenced having fits at 10 years of age and had them for four years. I tried three doctors and one specialist but all of them said he could not be cured. Dr. Miles' Restorative Nervine and Dr. Miles' Nerve and Liver Pills made a complete cure. He is now healthy and gay. It has been years since he had the last spell. I will give Dr. Miles' medicines to anyone who will use them. I am ready to use this letter as you see and anyone writing to me I will reply if they enclose stamp or reply.

AN ALL-STATE TRACK MEET
 HAS BEEN ARRANGED FOR THE INTERNATIONAL FAIR.
 And Will Take Place on November 10, and Every College Team in State Will Be Represented.
 San Antonio, Tex.—An all-State track meet has been arranged by the International Fair management for November 10, which will be School Day, as well as Boys' Corn Club Day. The officers of the Amateur Athletic Union of Texas, headed by Arthur Storms, president, have a program of much promise completed. It is the purpose of those behind the proposition to make the meet this fall the greatest meet ever held in the State.
 It is their purpose this time to bring practically every team of college and academic classification in Texas to meet in San Antonio on November 10. Secretary Dugosh has already begun an extensive plan of publicity work in the interest of the meet. The Fair Association combined with the Athletic Association will pay the expenses of the athletes, and many more are expected to attend.
 The meet in the collegiate class last year was won by Daniel Baker College, and the academic class went to Marshall Training School of this city. This fall, however, these title holders will encounter keener competition. Since the Fair last year many institutions have become interested in the State meets, and strong teams have sprung up all around. The work of registering the athletes has already begun, and Secretary Dugosh announces entry blanks are ready for prospective contestants in the track meet.

THE LAND SHOW WILL EXCEL
 EVERY LAND SHOW IDEA THAT IS GOOD
 Solved by Fair Management—Exhibitions Aggregating Thousands of Dollars in Value Will Be Seen.
 San Antonio, Tex.—Indications are that the Land Show which is being planned by the directors of the San Antonio International Fair Association will excel anything of the kind ever attempted in the State, certainly this portion, and will be the feature of the Fair. An effort to have on exhibition products of all kinds, minerals, and all instances of natural advantages of the State at large, and Southwest Texas in particular, must result, says the management, in not only a widespread interest, but in a Land Show worth the name.
 Ever since the Land Show idea was unanimously adopted by the directors, hundreds of letters of indorsement and commendation have been pouring from farmers, cattlemen, ranchmen, business men, miners and real estate men from all sections. The Fair management has set aside a liberal space for the exhibits, and have issued circular letters calling attention to the idea and asking the co-operation of the persons in the least interested in the future development and welfare of Texas.
 Exhibitions aggregating thousands of dollars in value will be placed in the space designated for the Land Show. Those behind the movement are certain such a show will aid materially in swelling the attendance to the Fair this fall, particularly among the classes most desired—homeseekers, investors and prospective purchasers.
 Ed R. Kone, commissioner of agriculture, has stamped his seal of approval upon the Land Show, and offered to aid in any way possible, either as an active worker or an adviser. Mr. Kone thinks the expanding of the Agricultural Department of the Fair into a monster Land Show will be an easy matter, when once the people are aroused to the importance of such an exhibit. He believes that every community of the wide-awake variety will see the value of such a show and realize the good to come from having themselves and their particular section represented.
 The Chamber of Commerce and newspapers of San Antonio are in hearty accord with the movement for a Land Show. A. M. Pyron, superintendent of the Agricultural Department, and necessarily supervisor of the proposed Land Show, has noticed with much gratification the manifested interest in the show by farmers in all sections of the State. He says many counties are preparing to make exhibits, aside from the municipal and individual displays which are expected. His prediction is that the Land Show will be the best of its kind ever held in the South.

AGRICULTURAL DEPARTMENT.
 There Will Be More County Exhibits This Year Than Ever Before, and Room for All.
 San Antonio, Tex.—Reports from A. M. Pyron, superintendent of the Agricultural Department of the International Fair, to be held here November 3 to 12, inclusive, show that the Agricultural Hall is about filled up. For months past commercial secretaries, secretaries of Farmers' Unions, and individual producers have been asking that space be reserved for their exhibits. However, it is announced that places will be made for all who desire to display their products.
 There will be more county exhibits this year than ever before, says Superintendent Pyron. The Land Show, to be held as an auxiliary to the Department, will cause many more sections of the State to be represented than would have otherwise entered their products. Space is getting at a premium even in the Land Show, it is announced; but aside from this it will be the greatest Land Show of the South, say those most vitally interested.
 Letters from every portion of the country are pouring in every day asking information about the Land Show—what it is, how it will be held, what parts will be represented and by what—all questions that make it plain those asking intend to support the enterprise.
 The good rains in most sections of the State this year, taken in conjunction with the vast irrigated tracts in Southwest Texas, will cause muchinery in vegetable products to be shown at the Fair this year. The products will be of a better quality than in years past, think those who are in a position to know.

A CLAMOR FOR PRIVILEGES.
 Never Before Have So Many Booth Owners Secured Space as at This Year's Fair.
 San Antonio, Tex.—Reports from Secretary Vance show that a larger portion of the privileges for different exhibits at the International Fair, November 2 to 12, have been sold. All sorts of stands and show booths will be in operation on the grounds, and for the ten days it will be an easy matter to live on the grounds, such things as baths and barber shops being provided for. Never before have so many small booth owners, including caddy, souvenir and picnic vendors, been clamoring for space, says Secretary Vance.

L. L. Davidson Dead.

Mr. L. L. Davidson, formerly a hotel man of this place but who moved to Cuero several months ago, died in a hospital in San Antonio at six o'clock Saturday morning, October 28, 1911. The remains were brought to Hondo Sunday and buried in the new cemetery by the side of those of his son, John Davidson, who died a few years ago. The funeral sermon was preached at the Methodist church by Presiding Elder S. H. C. Burgh and the services at the grave were conducted by the local lodge of Masons, the deceased being a member of Gainesville, Texas, Lodge A. F. & A. M.

Mr. Davidson had been broken in health for several years, but was not taken seriously ill until last Thursday when he was removed to San Antonio in a vain effort to find relief.

He is survived by his widow, and five children, Rev. A. B. Davidson, pastor of the Government Hill Methodist Church in San Antonio, Dr. N. L. Davidson, a dentist of Collinsville, Texas, Mrs. Iona Downes of Kansas City, Mo., and Misses Lucile and Evelyn Davidson, teachers in the school at Cheapside.

The deceased was a member of the Methodist church and died sustained and comforted by a Christian's faith and hope. He was also a member of the Medina County Aid Society, holding Certificate No. 867, as well as of the Masonic order. The large attendance at the funeral and the beautiful floral offerings spoke more eloquently than words can do of the esteem in which he was held by his friends and former neighbors.

The Anvil Herald joins in sympathy for those who mourn.

Capt. F. Metzger received a letter of mourning from the family of his old friend and comrade-in-arms, Rev. Santiago Tafolla, who died at Seguin, Sunday, October 29th, where he was pastor of the Mexican Methodist church. The deceased was a veteran of the Indian wars in Texas, having joined Capt. Palmer's Company D, of the 2nd U. S. Cavalry at Baltimore, and came to Texas as the Company bugler. He was with Capt. Metzger in the famous 2000-mile march of the 2nd Cavalry from Jefferson Barracks to Fort Belknap in the latter fifties and was discharged from the service in 1860. In the meantime, he had participated in several Indian fights and was wounded at the battle of Kickapoo Springs where another soldier named Martin was killed and where Capt. Metzger killed the Indian chief. The deceased also served with Capt. Metzger from 1862 to 1865 in the 33rd Texas Cavalry, C. S. A., and was a brave soldier and loyal friend. In recent years he has been a Christian Missionary to his native people. His death brings deep sorrow to the heart of his old comrade, our fellow townsman, Capt. F. Metzger.

Calomel Gives Only Temporary Relief

So Powerful It Shocks Liver and Leaves It Weaker Than Before. Dodson's Liver-Tone a Perfect Substitute.

Nearly everybody who has ever tried calomel for constipation or a sluggish liver has found that it gives only a temporary relief. For calomel is such a powerful drug that it shocks and weakens the liver and makes it less able afterward to do its duty than in the first place.

This is one of the reasons why W. H. Windrow's drug store would rather sell Dodson's Liver-Tone to you than calomel. We know that Dodson's Liver-Tone is a pure vegetable liver tonic that will cure constipation quickly and gently without any danger of bad after-effects. We guarantee it to do this with a guarantee that is simple and fair. If you buy a bottle of Dodson's Liver-Tone for yourself or your children, and do not find that it is a perfect substitute for calomel, then come back to the store and get your money. If you don't get value for your money out of this tonic, it's your right to expect your money back, and we will gladly give it to you.
